

Fosshotel Hellnar

Fosshotel Hellnar is everything you look for in a charming country hotel. The Hellnar area is a true natural wonder, offering stunning lava arches and beautiful cliffed coasts. The hotel is located right beneath Snæfellsjökull Glacier, a landmark made famous in the novel Journey to the Center of the Earth. The glacier is said to be one of the seven great energy centers of the earth and has been attributed various mysterious powers. The hotel is located close to Snæfellsjökull National Park and Djúpalónssandur and Dritvík.

Restaurant & Bar

Dinner and whale watching in some of the most energetic locations in the world. Fosshotel Hellnar presents a lovely little restaurant inside the hotel serving unique Icelandic dishes in a unique atmosphere. The restaurant offers excellent views of Hellnar's beautiful cliffed coasts where Orcas are regularly spotted swimming in the ocean.
