

FOSSHOTEL

NÚPAR

Fosshotel Núpar

Fosshotel Núpar is a comfortable and ideally located hotel in one of Iceland's most glorious landscapes. Surrounded by lava fields, it offers a spectacular view of Vatnajökull, the world's largest glacier outside the Arctic. Fosshotel Núpar is near many of Iceland's natural attractions such as Mount Lómagnúpur, Skaftafell National Park, the craters at Lakagígar and the amazing Jökulsárlón, Iceland's other-worldly glacial lagoon.

The Restaurant

A charming restaurant with large windows and a great view of the surrounding lava fields.

Set in the middle of a lava field, the restaurant at Fosshotel Núpar offers a buffet and a bistro menu focusing on fresh ingredients obtained from local sources. With wooden tables and comfortable velvet sofas the restaurant is ideal for an evening dinner and drinks after a busy day of exploring the south shore of Iceland.

Fosshotel Núpar

Amazing view in every direction.
